Attn: Josh Goldman

Dear Josh:

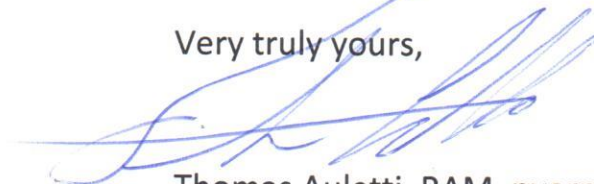

I just wanted to thank you for continuing to provide outstanding service to our development. Yesterday, while inspecting the buildings, I decided to inspect the four Bargold storage rooms. I was pleasantly delighted to see that each room was in immaculate condition. The walls and floors looked as if they were freshly painted, the energy efficient lighting was superb and the rooms were all impeccable.

While in the rooms, I took time out to speak with a few of the residents utilizing your storage units. All of them had wonderful things to say. One resident commented on how convenient it was to have a storage facility within the confines of the building. Another resident said that the storage unit was exceptionally affordable compared to the prices she received from a local offsite storage facility.

Again, I want to thank you and your entire staff. I look forward to continuing our relationship another 17+ years.

Wishing everyone at Bargold a wonderful holiday season and a very happy and healthy New Year.

Very truly yours,
