**RE: Fairview Owners Corporation  
Installation of Storage Units**

Dear Mr. Goldman:

As a property manager who has been in the real-estate business for over thirty years this is one of the few congratulatory letters that I have written to a vendor. Although it took some time working with your staff both the installation and "open house" was a pleasure. The most unusual aspect of this was that your staff made my job easier and successful. If any other building is even thinking about storage facilities, in my opinion, BarGold is the only choice.

Thank you for all your effort.

Very truly yours,
